Every attempt is made to ensure that the schedule is accurate. However, circumstances such as demand for courses, faculty availability, and financial status may require changes between the time of schedule preparation and the time the sessions begin. Any such changes will be circulated as soon as possible. The Academic Affairs Office will have up-to-date information during registration periods.

Any questions about courses in the various departments should be directed to the department chair. Any other questions may be addressed to the appropriate Academic Dean.
